NO. OF ENCLS.
(LISTED BELOW)SUPPLEMENT TO
REPORT NO.

25X1X

1. A line of anti-aircraft and aircraft warning installations extending from north to south across Rumania is reported to have been constructed. The area traversed by this line has not yet been identified.
2. Four newly constructed air-raid siren towers have recently been noted on the outskirts of Bucharest. Five new installations apparently armed with 50 mm. machine guns have been observed on rooftops in the city. Others are reported to have been recently built in and around the capital.

This document is hereby regraded to
